

Diversey™

TASKI® Americo Brown Pad

Aggressive stripping pad

Features

The TASKI Americo Floor Pads – manufactured by Americo – provide long-lasting performance for scrubbing, stripping, buffing, cleaning and spray cleaning.

The pads are especially developed to provide consistent long-lasting performance and to assure high-quality results improving your productivity and reducing costs. They are made out of 100% recycled material, supporting customer's sustainability.

The uniform distribution of mineral abrasives throughout the pad (not just on the surface) provides outstanding performance and a long, useful life. The individually separated and coated fibres help produce better, more consistent results.

The range of different coloured pads are designed with the right amount of aggressiveness for all types of stripping, scrubbing and cleaning.

Different colours available

- TASKI Americo Dominator Pad
- TASKI Americo Black Pad
- TASKI Americo Brown Pad
- TASKI Americo Green Pad
- TASKI Americo Red Pad
- TASKI Americo White Pad

TASKI® Americo Brown Pad

Use overview

The TASKI Americo Brown Pad is used for wet or dry stripping applications. The brown pad aggressively removes wax, dirt and finish. It is recommended for use on machines up to 350 rpm.

Use directions

The pad is used with a water based stripping solution to remove worn and soiled floor finishes or sealers.

- Place the pad under the machine pad holder
- Fill the machine tank with cleaning solution
- Clean the floor with the prepared machine
- Pick up dirty stripping solution

Take care of the pads

- After use, remove the pads from the pad holder
- Rinse the pads under tap water or keep pads soaked in diluted stripping solution – do not let the pads dry before washing
- Rinse the pad with water and leave to dry
